2nd Edition - Bihar Dairy & Cattle Expo

A Platform for Growth and Innovation

The Bihar Dairy & Cattle Expo is a premier event dedicated to the development of the dairy and livestock industries in Eastern India.

It connects farmers, breeders, entrepreneurs, industry experts, and policymakers to explore new technologies, share expertise, and promote sustainable practices.

Key Highlights

Latest Dairy and Cattle Farming Technologies

Feed, Fodder & Nutrition Solutions

Veterinary Products & Animal Health Innovations

Breeding & Genetics Demonstrations

Dairy Equipment and Processing Machinery

Driving Bihar's Dairy Revolution

2nd Edition - Bihar Dairy & Cattle Expo

Discover • Learn • Connect

Networking Opportunities :
Meet key stakeholders from across the dairy value chain

Knowledge Sessions:
Attend expert-led seminars and interactive discussions

Live Demonstrations:
Experience cutting-edge cattle care and dairy processing tools

Innovation Showcase:
Explore new solutions to enhance productivity and quality

The expo plays a crucial role in

Strengthening the rural economy through dairy entrepreneurship

Promoting modern and sustainable livestock management

Building bridges between farmers, technology providers, and investors

Supporting government initiatives for dairy self-reliance

A Step Towards Empowering Rural Bihar
