# 4<sup>th</sup> Edition - Bihar Poultry & Aqua Expo

## About the Expo:

The 4th Bihar Poultry & Aqua Expo is a premier event dedicated to the advancement of poultry farming and aquaculture in Eastern India.

The Expo brings together key stakeholders including producers, integrators, input suppliers, technology providers, policymakers, and investors to facilitate business growth, knowledge exchange, and sectoral development.

With Bihar emerging as a high-potential destination for Protein Production, the Expo aims to accelerate modernization, improve productivity, and strengthen value chains across poultry and fisheries sectors.

## Core Focus Areas:

- Commercial Poultry Farming (Broilers & Layers)
- Hatchery & Breeding Technologies
- Poultry Nutrition, Feed & Health Management
- Aquaculture & Fish Farming Systems
- Feed, Equipment & Farm Automation
- Cold Chain, Processing & Value Addition

## Why Exhibit / Participate..?

- ✦ Access a high-growth regional market
- ✦ Showcase products & innovations
- ✦ Build strategic partnerships
- ✦ Generate qualified business leads
- ✦ Strengthen brand visibility in Eastern India
